

"I love how outdoor FieldSTEM lends itself to career connected learning."

-Shelton Middle School Teacher

SHELTON SCHOOL DISTRICT

FieldSTEM Implementation

- 100% schools engaged
- Implementing in Grades K-8 and select HS courses

Dr. Alex Apostle
Superintendent

Legislative District #35
Senator Tim Sheldon
Rep. Dan Griffey
Rep. Drew C. MacEwen

20-21 FieldSTEM Goals

- Develop a teacher leader cadre, sustaining K-8.
- Train Shelton HS Health Science Academy teachers on "High Impact Field Experiences."
- Continue work around high school CTE Forestry course as ground work for Natural Resources Academy.
- Work in partnership w/PEI to do a local FieldSTEM Summit for more district participation.
