

Do you have a group of students passionate about the environment and climate? If so, submit an application for them to present a project to their state leaders and legislators!

Environmental & Sustainability Literacy Summit: Application

About the Environmental & Sustainability Literacy Summit

The Environmental and Sustainability Literacy Summit invites student teams to bring project displays that highlight learning and student activities in focused climate and environmental education topic areas. K-12 student teams from Washington State Public Schools and Tribal Compact Schools are invited to participate. Selected projects will have the opportunity to present their projects to Washington state department and agency leaders, state policy leaders and legislators.

Day 1: Environmental & Sustainability Literacy Student Summit

Date: Thursday, February 23, 2023

Time: 11 AM to 6 PM

Location: New Market Skills Center (Lecture Hall)
7299 New Market St SW
Tumwater, WA 98501

Included: Box-lunch, snacks and appetizers

Day 2: (Optional) Grade-appropriate field-based learning in Olympia

Date: Friday, February 24, 2023

Time: 9 AM to 12 PM

Location: Will be communicated based on grade-band

Application Requirements:

- Team of 2-4 students
- Project area of focus (see application)
- Teacher advisor
- Travel chaperone(s)
- School/District Administration approval
- Funding needs
